

Pickens County Chamber of Commerce

Banner Program for Networking Events

Banners will be hung at member's request at any networking event for \$25.00 per event. Specifications of when banners will be hung is determined before each event unless agreed upon otherwise. Space reservations are on a first-come, first-served basis, with a limited number of slots available. The chamber will bill for the hanging of all banners.

The member will own the banner. However, the banner will be stored at the Chamber office for ease of hanging. Members may borrow the banner for other uses. If a member takes their banner, they will be responsible for returning it to the Chamber office.

Three Chamber members listed below are offering a special price for the production of the banner. Members will contact these sign makers directly to develop the banner using the banner guidelines.
